El mapa de un crimen (Littera) (Spanish Edition)

Paco López Mengual

El mapa de un crimen (Littera) (Spanish Edition) Paco López Mengual

Una novela muy lograda de un autor sorprendente, ambientada en una pequeña ciudad durante la posguerra. Esta obra es un auténtico descubrimiento.

Nada es lo que parece en este extraño caso criminal ambientado en la España más negra del pasado siglo. Paco López Mengual nos ofrece un espléndido retrato social de la época, con ingredientes de novela negra y una conmovedora historia de amor. (Novela negra)

Un domingo de mayo de 1952, la navaja de un barbero cortó el aliento de un tranquilo pueblo del Levante español: ese día, un farmacéutico apellidado Maqueda murió asesinado ante un numeroso grupo de testigos que a esa hora paseaba por la calle principal del pueblo. El Garra, el mozo de barbería que cometió el crimen, estaba enamorado en secreto de Isabel la hermosa mujer con la que el boticario iba a contraer matrimonio.

Medio siglo después, el narrador de esta historia, obsesionado por el enigmático crimen que tantas veces oyera narrar desde niño, decide bucear en el pasado para desvelar sus entresijos. Capítulo a capítulo, va descubriendo las claves que hacen que la historia final resulte muy distinta a la que su madre cada tarde le contaba mientras le daba de merendar. *El mapa de un crimen* es un triángulo amoroso ambientado en los duros años de la posguerra, donde sus protagonistas viven marcados por los sucesos ocurridos quince años antes, durante la Guerra Civil.
