Half a Life: A Novel (Vintage International) V.S. Naipaul

In a narrative that moves with dreamlike swiftness from India to England to Africa, Nobel Laureate V. S. Naipaul has produced his finest novel to date, a bleakly resonant study of the fraudulent bargains that make up an identity.

The son of a Brahmin ascetic and his lower-caste wife, Willie Chandran grows up sensing the hollowness at the core of his father's self-denial and vowing to live more authentically. That search takes him to the immigrant and literary bohemia of 1950s London, to a facile and unsatisfying career as a writer, and at last to a decaying Portuguese colony in East Africa, where he finds a happiness he will then be compelled to betray. Brilliantly orchestrated, at once elegiac and devastating in its portraits of colonial grandeur and pretension, **Half a Life** represents the pinnacle of Naipaul's career.

From the Trade Paperback edition.
