My Life in Clothes Summer Brenner

"Despite my mother's efforts to tame me, I resisted, holding onto my creature nature until the day she informed me I would no longer be running naked in the yard or showering with my dad. It took a few scoldings before I was transformed from colt to show-pony: a proper reflection of whichever laundered, starched, pressed, brushed, straightened, zippered, tied, and buttoned garment was placed upon me."

—From the foreword of Summer Brenner's new collection of short stories, *My Life in Clothes*

These stories explore the charm, tyranny, and preoccupation of clothes, on and off, bought, made, or found, fashion or function, projection or expression, body and soul turned inside out.
