Within the ancient teachings of Tibetan Buddhism lies a meditation tradition for facing and dissolving our greatest fears and attachments in life. Now, one of contemporary Tibetan Buddhism's most experienced and respected teachers, Tsultrim Allione, adapts this practice to the challenges unique to our time, in *Cutting Through Fear*.

Based on the traditional Tibetan practice of *chod* (literally "to cut"), this method was developed by the legendary Tibetan *yogini* Machig Lapdrön almost 1,000 years ago. It is practiced to this day in Tibet to treat mental and physical illness and as a path to awareness.

Drawing from root visualization practices, Tsultrim Allione shares a four-step process that can help you meet and release what the ancient Tibetans called "demons": fears and other unhelpful emotions and obsessions. Today we all encounter the "demons" of addiction, compulsion, anger, and other difficult emotions, too often as a daily event. Now we have a rare and useful tool to stop struggling against them, and instead liberate them, with *Cutting through Fear*.
