**Faith on Trial: Analyze the Evidence for the Death and Resurrection of Jesus** Pamela Binnings Ewen

For those without faith or with lingering moments of doubt, *Faith on Trial* sets forth solid evidence for the life, death, and resurrection of Jesus Christ – much of it only becoming available in the last few decades.

Lawyer, author, and former agnostic Pamela Binnings Ewen illuminates Christianity as the only world religion that can be based upon verifiable facts. Developing those facts, she invites readers into the jury box and then examines under court-required standards the gospel testimonies of the witnesses: Matthew, Mark, Luke, and John.

Were these authors of the gospels writing from personal knowledge, or was it second-hand information? Holding bedrock Christian beliefs up for detailed scrutiny, *Faith on Trial* forms a powerful chain of proof using archeological, historic, scientific, manuscript-based, and even medical evidence to build the case.

Facts and reason are not provided as substitutes for faith in *Faith On Trial*. But for those seeking answers, or those who doubt, these facts and reason can provide the key to revelation and a firm foundation for faith.
