Winter, spring, summer, and fall, Smitten is a place for love . . . and mystery.

But will knit-store owner Anna ever find patience for either?

There's a secret in Grandma Rose's attic—a forgotten set of dog tags belonging to her first love. But David Hutchins was killed in action and never returned to town. How did the dog tags end up in the Grandma's attic? It's a romantic mystery fit for a town like Smitten, Vermont, which has been working hard to reinvent itself as a destination for lovers. Rose's three granddaughters are determined to investigate, though their mother Anna has reservations about digging up the past. But will they get distracted by mystery men of their own before they solve the puzzle of the dogtags?

In *Knit One, Love Two*, divorcee Anna finds herself intrigued by the distinguished military man who just stepped into her knit shop. But Anna's first husband was a military man and it didn't turn out well at all. Does she dare risk love a second time around?

Excerpted from *Secretly Smitten*, a novel in four parts written by Inspirational fiction's most popular romance novelists—and real life BFFs!
