Pharise Mallard is an overachiever whose career has taken a sudden turn for the worst. Her grief surrounding her mother's death has caused her to lose the focus she has worked so hard to obtain. One thing for sure, she means to turn things around. This includes reopening an old case of which some will commit deadly acts to keep closed. Roxel Stapleton, sinfully good looking multi-millionaire and company Ceo, does not want to see Pharise again. The last time she was in his city, she lied on his company.
