Green Autobiography: La Natura è un racconto interiore (Italian Edition) Duccio Demetrio

Green Autobiography è un libro che come suggerito dal titolo ci introduce alla letteratura green. Per scoprire che come noi raccontiamo la natura, anch'essa si narra con i suoi linguaggi, le sue fisionomie, i suoi richiami. Ci suggerisce le modalità per redigere diari naturalistici, memorie di viaggio, liriche e vere e autentiche autobiografie. Ci conduce alla conoscenza introspettiva del sentimento innato che tutti ci lega e riconduce alla terra, per non allontanarcene. Per rendere il nostro andare a piedi tra boschi, colline, spiagge più ricco di osservazioni e riflessioni. Questo è dunque un libro che si rivolge a chiunque, per professione, volontariato ambientalista, o per pura passione e affezione, anche pedagogica, non voglia dimenticare tutto ciò che i mondi verdi o desolati, aspri, impervi della nostra Terra, dei nostri cieli, delle nostre acque ci offrono e propongono. Quando siamo immersi in essi o quando, negli interstizi rubati al cemento della vita metropolitana, la natura si esprime ugualmente, resiste, si annuncia.
