Latin America since Independence: A History with Primary Sources Alexander Dawson

What is Latin America, after all? While histories of the "other" Americas often link disparate histories through revolutionary or tragic narratives, *Latin America since Independence* begins with the assumption that our efforts to imagine a common past for nearly thirty countries are deeply problematic. Without losing sight of chronology or regional trends, this text offers glimpses of the Latin American past through carefully selected stories. Each chapter introduces students to a specific historical issue, which in turn raises questions about the history of the Americas as a whole. Key themes include:

- Race and Citizenship
- Inequality and Economic Development
- Politics and Rights
- Social and Cultural Movements
- Globalization
- Violence and Civil Society

The short, thematic chapters are bolstered by the inclusion of relevant primary documents – many translated for the first time – including advertisements and posters, song lyrics, political speeches, government documents, and more. Each chapter also includes timelines highlighting important dates and suggestions for further reading. Richly informative and highly readable, *Latin America since Independence* provides compelling accounts of this region's past and present.

This second edition brings the story up to the present, with revised chapters, new primary documents and images, and a new 'At A Glance' feature that uses a selection of maps and tables to illuminate key issues like the economy, the environment, and demographics.

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? May be reading a book may be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to attempt look for book, may be the reserve untitled Latin America since Independence: A History with Primary Sources can be great book to read. May be it might be best activity to you.

Arlene Miller:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Latin America since Independence: A History with Primary Sources can make you truly feel more interested to read.
