The Danger of Raising Nice Kids: Preparing Our Children to Change Their World Timothy Smith
Nice is not enough.

We are raising a generation of "nice" kids. Nice kids are well behaved and look good on the *outside*, but they often lack courageous character *inside*. Offering practical wisdom gleaned from his experience as a parent and family coach, Tim Smith helps you move your kids from simply polite to truly compassionate. He targets nine key qualities children need but often lack and shows you how to build them into your children by modeling core values and biblical practices.

Your kids can be--and indeed, are meant to be--kingdom builders who help bring God's light and life to others through their decisions and influence. "Being nice won't help them stand apart," Tim says. "We need to strategically train our children to engage and challenge the popular views of our culture." Here is a clear, down-to-earth resource that will help you do just that. But be prepared for change--in you, in your kids and in the world.
