The Man Who Saved the Union: Ulysses Grant in War and Peace H.W. Brands

From *New York Times* bestselling author H. W. Brands, a masterful biography of the Civil War general and two-term president who saved the Union twice, on the battlefield and in the White House, holding the country together at two critical turning points in our history.

Ulysses Grant rose from obscurity to discover he had a genius for battle, and he propelled the Union to victory in the Civil War. After Abraham Lincoln's assassination and the disastrous brief presidency of Andrew Johnson, America turned to Grant again to unite the country, this time as president. In Brands's sweeping, majestic full biography, Grant emerges as a heroic figure who was fearlessly on the side of right. He was a beloved commander in the field but willing to make the troop sacrifices necessary to win the war, even in the face of storms of criticism. He worked valiantly to protect the rights of freedmen in the South; Brands calls him the last presidential defender of black civil rights for nearly a century. He played it straight with the American Indians, allowing them to shape their own fate even as the realities of Manifest Destiny meant the end of their way of life. He was an enormously popular president whose memoirs were a huge bestseller; yet within decades of his death his reputation was in tatters, the victim of Southerners who resented his policies on Reconstruction. In this page-turning biography, Brands now reconsiders Grant's legacy and provides a compelling and intimate portrait of a man who saved the Union on the battlefield and consolidated that victory as a resolute and principled political leader.

The book that recommended to you personally is The Man Who Saved the Union: Ulysses Grant in War and Peace this book consist a lot of the information with the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. The actual writer made some research when he makes this book. That's why this book appropriate all of you.

Henry Heath:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Man Who Saved the Union: Ulysses Grant in War and Peace can make you sense more interested to read.
