If it's true that the way to a man's heart is through his stomach, then what better way to entice the typical American male than with apple pie? Talia believes An Apple a Day and a few herbs are the key to healthy living, but Dr. Coridan scoffs at the natural products she sells in her store. Can a slice of warm pie neutralize the friction between them? Kayli wants to prove herself as a French pastry chef, but Adam prefers simple cooking, believing there's nothing as Sweet as Apple Pie. Can their plain and fancy lifestyles mesh? Apple Annie loves running her father's restaurant, and she is fast falling in love with the handsome man who always orders her apple pie. But when she is about to lose everything, can Brad help her? Lynette is a hard worker at church and not at all interested in a church romance. When she is paired with Rick on a fundraiser, will a little Apple Pie in His Eye help Rick break down the walls around Lynette's heart? As friendship is allowed to ripen and blended with love and grace, a recipe for a wonderful, lasting relationship is formed. When it comes to romance, the sweetest desserts are no match for God's timing.
