Bias in the Booth: An Insider Exposes How the Sports Media Distort the News Dylan Gwinn

Most of us see sports as a welcome—even blessed—relief from the challenges and frustrations of everyday life. We want to sit back, open a beer, and enjoy the game.

But many of those who bring us the game have a different agenda—they use their broadcasting platform to harangue us with their own politically correct preoccupations. If a seventh-round NFL draft pick who can't make the team or an over-the-hill basketball player declares that he's gay, he gets wall-to-wall media coverage and is hailed as a hero. If a stripper accuses college lacrosse players of rape, liberal sports reporters lead the lynch mob—with no apologies when the bearers of "white privilege" are proved innocent.

In his blistering new book *Bias in the Booth*, sports reporter and commentator Dylan Gwinn takes you inside the sports media spin machine to reveal what they hope you won't notice: the sports media are no different from the news and entertainment media.
