Only two riders can command an ice dragon... That was all too apparent for Steinn, a Viking warrior who must find his true love, the woman meant to conquer both his heart and his ice dragon. Drifa wants nothing more than to complete her training as a Woman of Frost, but she is called to join a band of warriors to fight the evil force that has fallen from the stars. To fight this new foe, they must forget their differences and reunite as man and woman. But for two Viking warriors, waging war is easier than forging peace.
