Single mother Trish Melrose has been offered a rare opportunity to mix business and pleasure. While sailing the Mediterranean aboard the luxurious *Alexandra's Dream*, she's to convince businessman Theo Catomeris to re-sign his shore excursion company with Liberty Line. Theo's long-estranged father has put her up to this assignment, but an undeniable attraction between Trish and Theo is distracting her from the business at hand.

Theo's success and happiness on the island of Corfu suggest that he's a man with blueprints to good fortune, but absentee parents have made it difficult for him to get close to anyone. Having discovered that his father has purchased the cruise line he used to work with, Theo is more than reluctant to trust a relationship with him. But will meeting Trish give him a new perspective on building a future and resolving his past?
