Dig Deeper: Tools for Understanding God's Word Nigel Beynon, Andrew Sach

When it comes to reading and understanding the Bible, a dangerous phrase is used by non-Christians and even some believers: "Well, that's your interpretation." It is true that without some care in your interpretation, you can "make" the Bible say almost anything. *Dig Deeper* is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly.

Dig Deeper offers sixteen "tools" readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the "Dig deeper" exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible.
