## **Golfing in Washington** Daniel MacMillan

In this the 19th edition of Golfing in Washington we have added many new features such as scorecards, drive times, additional course comments and much, much, more. My hope is that it will be the most complete golf guide in the state of Washington published to date. The size of the guide is designed with the idea in mind that the book will more easily fit in the glove box of your car or in a pocket of your golf bag for easy access.
