## **Let the Baby Drive: Navigating the Road of New Motherhood** Lu Hanessian

This insightful, deeply poignant and often hilarious narrative about the first years of motherhood inspires new mothers to follow their baby's cues and trust their own instincts. In letting her baby drive, the author didn't hand over the keys, but she let him navigate while she steered--and got to *know* him. Empathy bred understanding, a kind of two-way mirror that allowed them to learn from each other. This is not a "how-to" book but rather a "why-to" book that speaks to the human spirit about love, fear and letting go.
