Naked in the Promised Land: A Memoir Lillian Faderman

The daughter of an unmarried immigrant Jewish garment worker whose family had perished in the Holocaust, Lillian Faderman dreamed of being an actress. Instead she worked her way through college by posing for nude photographs, and by stripping. She slowly discovered that her deepest erotic and emotional connections were to women. After nearly losing herself in a dangerous underworld of addicts, pimps, and prostitutes, she became a brilliant student, eventually earning a Ph.D. And she became a loving partner, a devoted mother, an influential writer, and a groundbreaking scholar of gay and lesbian studies.
