## Queria ver você feliz (Portuguese Edition) Adriana Falcão

HÁ QUEM O CHAME de Eros, Kama, Philea ou Ahava. O Amor, esse personagem mítico, desempenha o papel de narrador na história real do casal Caio e Maria Augusta, pais da autora Adriana Falcão. O Amor se descreve como perfeccionista e obcecado pelos detalhes, nada que o impeça de ser um bocado descuidado com as consequências dos sentimentos que provoca com suas flechas.

Assim, com uma linguagem poética e ao mesmo tempo muito bem-humorada, Adriana revela para seus leitores aquilo que poderia ser descrito como uma história trágica protagonizada por dois personagens atormentados por seus demônios. Apaixonados, Caio e Maria Augusta se casam no Rio de Janeiro da década de 1950 e têm três filhas. Todo o sentimento que eles compartilham não impede que a personalidade exuberante de Maria Augusta se torne mais obsessiva e asfixiante com o passar do tempo, apesar dos medicamentos e dos tratamentos psiquiátricos. Caio, por sua vez, aprofunda uma melancolia que existia nele desde a adolescência, e que culmina nos anos 1970 em tentativas de suicídio.

Mais do que uma história com um final dramático, trata-se de memórias afetivas que alternam momentos de intensa felicidade e outros tantos de dor, como acontece nas melhores famílias.
