**The Last Editor: How I Saved the New York Times the Washington Post and the Los Angeles Times from Dullness and Compl** Jim Bellows

*The Last Editor* is the memoir of Jim Bellows, the editor whose David-and-Goliath battles changed the face of the newspaper business. Bellows struggled to save major competitors of America's three most powerful newspapers: the *New York Times*, the *Washington Post*, and the *Los Angeles Times*. In doing so, he developed major talent from rough cuts and brought a new generation of writers to the mainstream press.

*The Last Editor* is a unique memoir of a man who loved a fight--highlighted with commentary from his colleagues in letters and sidebars from the biggest names in media. Sidebars from Wolfe, Ben Bradlee, Art Buchwald, Katherine Graham, Mary McGrory, William Safire, just to name a few, and 16 pages of black-and-white photos, provide behind-the-scenes insights to the triumphs and controversies of the man who shaped the industry.
