The Longest Night Gregg Keizer

A thrilling debut that puts an unforgettable new spin on the World War II suspense novel: what if the Resistance had approached the notorious Jewish gangster Meyer Lansky for help?

Leonard "Mouse" Weiss has worked as a hit man for Meyer Lansky-the legendary Brooklyn Jewish crime boss-for years. But with his last "drop," Mouse has blown it, big-time. Now Lansky needs Weiss out of town fast . . . and along comes the perfect opportunity.

An underground Resistance movement based in Europe needs muscle and money to intercept a train carrying Dutch Jews to their deaths. They've timed their plan carefully. The U.S. State Department and the British Foreign Service are about to meet in Bermuda to discuss what is happening to Europe's Jews, and if this rescue can be pulled off while the conference is under way, it could finally galvanize the Allies to take action.

Killing two birds with one stone, Lansky sends a reluctant Mouse to do the job with simple instructions: Do not screw this one up. But Hitler's Europe isn't Canal Street, and before he knows it, Mouse finds himself ensnared in a race against capture that grows more complicated and deadly with each passing second. And this time he's looking out for more than just himself.

From reader reviews:

Louis Clark:

As people who live in the modest era should be revise about what going on or facts even knowledge to make all of them keep up with the era and that is always change and advance. Some of you maybe can update themselves by examining books. It is a good choice for you personally but the problems coming to you is you don't know what one you should start with. This The Longest Night is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Josette Roscoe:

A lot of people always spent their free time to vacation or even go to the outside with them household or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity this is look different you can read a book. It is really fun for you personally. If you enjoy the book that you simply read you can spent 24 hours a day to reading a guide. The book The Longest Night it is rather good to read. There are a lot of people who recommended this book. These were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy often the e-book. You can m0ore very easily to read this book through your smart phone. The price is not too costly but this book features high quality.

Molly Marquis:

People live in this new morning of lifestyle always make an effort to and must have the spare time or they will get large amount of stress from both day to day life and work. So , whenever we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we question again, what kind of activity have you got when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, the book you have read is definitely The Longest Night.

John Flores:

A lot of guide has printed but it differs. You can get it by world wide web on social media. You can choose the best book for you, science, comic, novel, or whatever through searching from it. It is referred to as of book The Longest Night. You can contribute your knowledge by it. Without making the printed book, it may add your knowledge and make an individual happier to read. It is most important that, you must aware about reserve. It can bring you from one destination to other place.
