*Triangle Histories* introduce a new concept to American history series. Each title in this collection interweaves and overlaps with others in its own unique way. And each title provides a different perspective on the subject. For example, *The Battle of Vicksburg*, the biography *Ulysses S. Grant*, and the biography *Abraham Lincoln*, overlap and intersect at a number of points. Grant was the Union commander at Vicksburg at a time when Lincoln was under great pressure to replace the general.

Because the *Triangle Histories* provide a format in which major subjects and themes can be considered from various angles, each collection offers a truly unique way to learn and understand the topic more completely. Each book stands alone, but as a set, the Civil War collection forms a powerful and engaging way in which to learn about one of the most painful eras our nation has ever endured.
