Voyages: Stories of Ten Sunsail Owner Cruises Nancy Kaull, Paul Jacobs

In *Voyages*, Paul Jacobs takes us through his discovery of a passion for sailing, the joys of meeting and falling in love with Nancy Kaull, and the couples' experience together cruising on 36' sailboats in exotic locations all around the world with the Sunsail owners program. Paul describes the cruises with a scientist's precision, a sense of humor, and a humble perspective that will engage sailors and non-sailors alike. Nancy contributes a second perspective with detailed journal entries interspersed throughout the book. Together, the couple provides a story that's a successful fusion of a manual for travel to and bareboat sailing at numerous geographic locations, and a personal memoir, all in an interesting, informative, and inspiring work.
