A Personal Portrait of the Royal Family Colin Edwards

'A Personal Portrait of the Royal Family' elegantly showcases one man's devotion to the British Monarchy. Colin Edwards has become a familiar face at Royal events; so frequently attending visits and walkabouts that most of the Royal figures know him by name. Over the past 30 years Colin has collated a vast collection of photographs and has vivid emotive, personal memories of his many meetings with the Royals. His interest was sparked when he was just 12 years old, as he watched the Coronation of Queen Elizabeth II. Like many, he was mesmerized by the procession, ceremony and the pageantry for which the British Monarchy has become renowned. The stunning, never before seen photographs in this book are Colin's personal tribute to our beloved Queen who has served the British nation and the Commonwealth with devotion and dedication for over 60 years. REVIEWS "...a delightful collection of photographs and anecdotes..." Royal Central
