**For Ben Haynes it is love at first sight, but can a Boston socialite find true happiness with a cowboy from Kansas?**

Once childhood friends, Ben Haynes is taken with Amelia Carlyle when he runs into her at her sister's wedding. Although he will be returning to Kansas and life on his father's ranch, Ben calls on Amelia several times, and they find they have more in common than they first realized. As he leaves for Kansas, they promise to write.

Back in Kansas, Ben begins to save money toward a home for Amelia even though he has not made his intentions known. He's relying on God to make a way. Meanwhile, Amelia is presented to society and has several young men vying for her attention.

Although Ben has captured Amelia's heart, her parents make every effort to discourage the relationship, even forbidding Amelia to correspond with him. Amelia tells Ben that she will wait for him as long as it takes, but will the love and loss they experience along the way bring them closer or drive them apart forever?
