Joomla! 1.5 Content Administration Tracey Porst

This book is very easy and straightforward to follow, and takes a hands-on approach, using practical examples to illustrate techniques and explain concepts using a fictitious company called "The Party People" to help you master the content administration of your web site. With each task outlined, simple explanations are offered on similar subject areas and links to further information are provided. If you are someone who wants to quickly and easily manage content and users for a Joomla! web site, this book is ideal for you. You could be a content editor, proofreader, graphic artist, feature editor, or anyone else concerned with managing content on a Joomla! installation. If you can browse the Web and use a wordprocessing software package, this book will help you develop the skills to efficiently manage your web site and gain a solid understanding of the Joomla! content management system.

From reader reviews:

Mark Hart:

Have you spare time for just a day? What do you do when you have more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a wander, shopping, or went to the actual Mall. How about open or maybe read a book eligible Joomla! 1.5 Content Administration? Maybe it is to become best activity for you. You know beside you can spend your time together with your favorite's book, you can cleverer than before. Do you agree with it has the opinion or you have other opinion?

Shawn Howe:

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a problem. What people must be consider if those information which is in the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Joomla! 1.5 Content Administration as the daily resource information.

Richard Broderick:

Reading a book tends to be new life style within this era globalization. With examining you can get a lot of information which will give you benefit in your life. With book everyone in this world could share their idea. Books can also inspire a lot of people. Many author can inspire their reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some research before they write to the book. One of them is this Joomla! 1.5 Content Administration.

William Vong:

Spent a free a chance to be fun activity to do! A lot of people spent their sparettime with their family, or their particular friends. Usually they undertaking activity like watching television, going to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your personal free time/ holiday? May be reading a book might be option to fill your free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the reserve untitled Joomla! 1.5 Content Administration can be fine book to read. May be it is usually best activity to you.
