Future Me (Oberon Modern Plays) Stephen Brown

"What I'm asking is, can you really erase things? Wipe them completely?"

When smart young lawyer Peter's computer malfunctions, he asks his whiz-kid brother to wipe the hard drive. But the real cause of the problem is far darker than Peter has admitted, and soon the world comes crashing down on him.

Future Me is a devastating study of unlawful desire. With unflinching honesty, it examines the destructive power of illicit deeds and the limits of forgiveness. For someone who has crossed the line, is there really any chance of a 'future me'?

Future Me premiered at Theatre 503 in June 2007
