Mark Woodward

Java, Indonesia and Islam: 3 (Muslims in Global Societies Series) Mark Woodward

Mark R. Woodward's *Islam in Java: Normative Piety and Mysticism in the Sultanate of Yogyakarta* (1989) was one of the most important work on Indonesian Islam of the era. This new volume, *Java, Indonesia, and Islam*, builds on the earlier study, but also goes beyond it in important ways. Written on the basis of Woodward's thirty years of research on Javanese Islam in a Yogyakarta (south-central Java) setting, the book presents a much-needed collection of essays concerning Javanese Islamic texts, ritual, sacred space, situated in Javanese and Indonesian political contexts.

With a number of entirely new essays as well as significantly revised versions of essays this book is a valuable contribution to the academic community by an eminent anthropologist and key authority on Islamic religion and culture in Java.
