Mary is the female lead in a stage performance, and when the male lead is suddenly taken ill, the production has a real problem. His understudy is gone, and the only one who knows the lines is Cassandra, a lovely...GIRL! Makeup does wonders, and she pulls the role off without a hitch, but when it comes time for the leads to kiss, Mary is profoundly impacted, and before too long she finds herself alone with Cassandra for her very first lesbian sex experience.

Warning: This ebook contains very explicit descriptions of sexual activity during a first lesbian sex encounter. It includes oral sex, lesbian sex, and lesbian seduction. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.
