Sexual Perversion: Integrative Treatment Approaches for the Clinician

B. Protter, S. Travin

Sexual Perversion: Integrative Treatment Approaches for the Clinician B. Protter, S. Travin

Integrating behavioral, psychoanalytic, and biological perspectives into a unique multi-modal approach, the authors present a new diagnostic and treatment methodology which is flexible enough to account for individual variations in sexually perverse disorders. Alongside this methodology, they highlight the key issues concerning these disorders to provide the general practicing clinician with a practical guide for treating the sexually deviant patient.
