Low startup requirements make this a great homebased business!

As insurance regulations and paperwork requirements get more complicated, doctors and other health care providers are turning to third-party billing services to take care of their billing needs. It's a multi-billion dollar industry that's growing like never before, creating a growing niche for entrepreneurs who are experts at tunneling their way through the paper avalanche.

With expert advice from medical claims billing professionals and the latest industry information you'll learn everything you need to know to get into this perfect starter business including:

- Researching the market
- Calculating startup and operating costs
- Finding clients
- Getting referrals
- Demystifying medical jargon
- Dealing with insurance carriers
- Telecommuting options and online work
- Professional networking

Startup requirements and costs are minimal, opening the door for anyone to get started in this lucrative field.
