Offering fresh perspectives on:

- the American, French, and Haitian Revolutions

- the Napoleonic Wars.

The volume also presents ground-breaking treatments of world history from an African perspective, of South Asia's age of revolutions, and of stability and instability in China. The first truly global account of the causes and consequences of the transformative 'Age of Revolutions', this collection presents a strikingly novel and comprehensive view of the revolutionary era as well as rich examples of global history in practice.
