The Lady of Bolton Hill

Elizabeth Camden

The Lady of Bolton Hill Elizabeth Camden

When Clara Endicott and Daniel Tremain's worlds collide after twelve years apart, the spark that was once between them immediately reignites into a romance neither of them thought possible.

But time has changed them both.

Daniel is an industrial titan with powerful enemies. Clara is an idealistic journalist determined to defend underprivileged workers.

Can they withstand the cost of their convictions while their hearts--and lives--hang in the balance?

"Camden's evangelical Christian historical romance skillfully captures a fascinating period of railroad and other technological innovations, opium smugglers, and muckraking journalists in a dramatic tale of vengeance, ambition, and faith set against a backdrop of both privileged high society and working-class riots." --*Booklist*

"This very satisfying debut novel, about the power of faith and forgiveness, will surely launch Camden well into the midst of the field of inspirational authors." --*Historical Novels Review*
