David Brion Davis

## **The Problem of Slavery in the Age of Revolution, 1770-1823** David Brion Davis

David Brion Davis's books on the history of slavery reflect some of the most distinguished and influential thinking on the subject to appear in the past generation. *The Problem of Slavery in the Age of Revolution*, the sequel to Davis's Pulitzer Prize-winning *The Problem of Slavery in Western Culture* and the second volume of a proposed trilogy, is a truly monumental work of historical scholarship that first appeared in 1975 to critical acclaim both academic and literary. This reprint of that important work includes a new preface by the author, in which he situates the book's argument within the historiographic debates of the last two decades.
