**A secret society, a lost fortress, a precious artifact only Samantha Sutton can protect.**

Twelve-year-old Samantha Sutton isn't sure she wants to go to England with her Uncle Jay, a brilliant, risk-taking archeologist. But the trip seems safe enough—a routine excavation in Cambridge—and Samantha has always had a love for the past.

At first the project seems unremarkable—just a survey to clear the way for a massive theme park. But everything changes when Sam uncovers something extraordinary. Are the local legends true? Is this the site of the ancient fortress belonging to Queen Boudica, the warrior queen? What treasures might be found?

When others begin to learn of her findings, Samantha senses she is in danger. Can any of her friends be trusted? Samantha will need to solve the mystery of the site in order to protect herself and let the world know of her remarkable discovery.
