A Change of Heart

Piper Quinn is fighting for the future of her wolf sanctuary. A painful childhood has taught her to be more comfortable with animals than humans—especially the beautiful wolves of Aurora, Alaska. So when reporter Ethan Hale arrives to cover her struggling shelter—and deems the wolves a danger to the community—she's ready to prove him wrong. A former park ranger, Ethan's seen just enough tragedy to support his claim. Soon their difference of opinion is front-page news. And Piper and Ethan must reconcile their opposing views with their stubborn hearts that are quickly finding refuge in each other.
