Alice in the Know Phyllis Reynolds Naylor

It's the summer before junior year, and Alice is looking forward to three months of excitement, passion, and drama. But what does she find? A summer working in a local department store, trying to stop shoplifters, and more "real life" problems than she could have ever imagined: A good friend becomes seriously ill, Lester has more romance problems than even Alice knows what to do with, and the gang from Mark Stedmeister's pool is starting to grow up a bit faster than Alice is comfortable with....Fortunately for Alice her family and friends are with her through it all, and by the end of the summer, Alice finds she knows a whole lot more than she had in June.
