Bears on Chairs Shirley Parenteau

Four chairs. Four adorable bears. All is well until Big Brown Bear shows up — what a stare! — and wants a seat. Can these clever bears put their heads together (among other things) and make space for one more?

With endearing, expressive illustrations and a sustained rhyme in every line, here is a cozy tale that makes it clear there is room for all.

From reader reviews:

Bradley Loy:

In this 21st century, people become competitive in each and every way. By being competitive today, people have to do something to make these people survive, being in the middle of the particular crowded place and notice by simply surrounding. One thing that at times many people have underestimated that for a while is reading. Sure, by reading a publication your ability to survive rises then having a chance to stand than others is high. For you who want to start reading some sort of book, we give you this particular Bears on Chairs book as a basic and daily reading e-book. Why, because this book is greater than just a book.

Jeanne Gonzales:

As people who live in the particular modest era should be updated about what is going on or data even knowledge to make these people keep up with the era that is certainly always changing and progressing. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to anyone is you don't know what one you should start with. This Bears on Chairs is our recommendation to cause you to keep up with the world. Why, because a book serves what you want and want in this era.

Robert Higby:

Do you consider one of those people who can't read pleasurable if the sentence is chained inside straightaway, hold on guys this particular isn't like that. This Bears on Chairs book is readable through you who hate the straight word style. You will find the info here arranged for enjoyable studying experience without leaving also decrease the knowledge that want to provide to you. The writer regarding Bears on Chairs content conveys objective easily understood by a lot of people. The printed and e-book are not different in the content material but it is just different in the form of it. So, do you still think Bears on Chairs is not loveable to be your top listing reading book?

Gloria Engstrom:

A lot of people always spend their very own free time to vacation or maybe go to the outside with their household or their friend. Are you aware? Many a lot of people spend many people free time just watching TV, or perhaps playing video games all day long. If you would like to try to find a new activity honestly, that is look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you just read you can spend all day long to reading a book. The book Bears on Chairs it doesn't matter what good to read. There are a lot of those who recommended this book. These were enjoying reading this book. If you did not have enough space to bring this book you can buy the actual e-book. You can more easily read this book through your smart phone. The price is not very costly but this book has high quality.
