Duffy's World: Seeing the World through a Dog's Eyes Faith McCune

Duffy's World is part memoir, part dog owner's manual, and narrated primarily from a dog's point of view. As Duffy's owner chimes in with her own perspective, readers will recognize their own joys and challenges that mark the territory of the human/canine relationship. From eating anything and everything, to a profound fear of needles and bee stings, to being "released" from dog training school, Duffy's never-ending zest for new experiences is the source of his owner's greatest frustration and most profound life lessons.
