The Happiness Equation: Want Nothing + Do Anything = Have Everything

Neil Pasricha

The Happiness Equation: Want Nothing + Do Anything = Have Everything Neil Pasricha

What's the formula for a happy life?

Neil Pasricha is a Harvard MBA, a Walmart executive, a *New York Times* best-selling author, and a husband and dad. After selling more than a million copies of his Book of Awesome series, he now shifts his focus from observation to application.

In *The Happiness Equation*, Pasricha illustrates how to want nothing, do anything, and have everything. If that sounds like a contradiction, you simply haven't unlocked the Nine Secrets to Happiness.

Each secret takes a common ideal, flips it on its head, and casts it in a completely new light. Pasricha then goes a step further by providing step-by-step guidelines that illustrate exactly how to apply each secret to live a happier life today.

Controversial? Maybe. Counterintuitive? Definitely.

The Happiness Equation will teach you such principles as:

- Why success doesn't lead to happiness
- How to make more money than a Harvard MBA
- Why multitasking is a myth
- How eliminating options leads to more choice

The Happiness Equation is a book that will change how you think about everything - your time, your career, your relationships, your family, and, ultimately, of course, your happiness.
