Through ingenious activities, gifts, and projects, this book provides concrete ways to say "I love you" to family, friends, or a special someone — with actions rather than words. These inexpensive and thoughtful ideas are appropriate for special occasions or spur-of-the-moment expressions of love. Some of the ideas include renting a bicycle built for two, sending a weekly postcard to parents recalling specific childhood memories, and transcribing a child's oral stories to create her first book. Black-and-white illustrations are included throughout.
