The Shadow Club Neal Shusterman

The Shadow Club starts simply enough: the kids who are tired of being second-best get together and, for the first time, talk about how they feel. But soon the members decide to play practical jokes on the first-place winners they envy, and things begin to spin dangerously out of control.

"This is a provocative novel . . . The plot is ingeniously simple and the course of events compelling. Brisk enough to snag a popular audience, but forceful in impact, it will leave readers thinking." (*Booklist*, starred review)
