This book was created to answer questions constantly asked by faith seekers, new Christians, and existing members of the Southern Baptist faith. You will learn about the history, beliefs, practices, and what makes some Baptist Churches different from others. This is what two readers had to say about this handbook:

"What Do Southern Baptist Believe" is a great booklet. I have been a member of the Southern Baptist denomination since 1970, and I still learned a lot about why we are called Southern Baptist. If you are looking for a denomination that believes the Bible is God's infallible Word; that God visited earth by sending His Son...God in flesh-to show us the Father. Then you need to read this booklet that has all the information and references you need to answer any questions you may have. --Mona Hewkin, First Baptist Church

"Excellent! The information contained in this book, "What Do Southern Baptist Believe?", was excellent. I enjoyed reading it. I am a Southern Baptist, and it never occurred to me to ask how the Baptist religious body emerged. I feel that this information is very useful. I am very grateful for the available research information that I can use as a Sunday School teacher and a member of the adult Bible study class. I feel that the author of this book did a great job, spent lots of time on researching the Baptist history, and put together an interesting and useful book that will be used as a teaching tool for Baptist Believers." --Frances Littlejohn
