**Chiacchiere di giardinaggio insolito (Pendragon garden) (Italian Edition)** Maria Gabriella Buccioli

Dopo la pubblicazione del fortunato volume I giardini venuti dal vento, in cui descrive la genesi di quel luogo incredibile che sono i giardini del Casoncello, Maria Gabriella Buccioli torna a incantarci con un libro ispirato alla sua affascinante avventura.

Come una chiacchierata tra amici che condividono una passione - quindi in un tono piacevolmente informale - questo libro non vuole essere né una guida alle piante, né un manuale di giardinaggio, pur essendo in parte sia l'una sia l'altra cosa.

È, in definitiva, una dichiarazione d'amore dell'autrice alle creature del suo giardino, vegetali o animali che siano (insetti compresi!) e un modo di trasmettere la sua straordinaria esperienza a tutti i lettori.
