The Ganadharavada is a philosophical work in which there are profound discussions of eleven salient doctrines. In each of the discussions, one vital Tattva is taken up; and Lord Mahavir discusses it in great detail and clears the doubt of each Ganadhar with the result that each Ganadhar is fully convinced of the truth of the Lord's argument and becomes his disciple. This book has been written so that people may read it and understand the meaning of the tattvas relating to the soul, the karmas, the five elements, next birth, bondage, deliverance etc. and so that they may realise the true phenomenon of this Universe, may cultivate the trust and may make endeavours to attain the liberations from samsar.
