Human Anatomy for Artists AndrÁs Szunyoghy

A body's unique character is determined by its anatomic characteristics. For artists, the study of human anatomy is a prerequisite for achieving realistic representations of people. Human Anatomy for Artists will enable you to observe more closely, train your eye to see what is most essential, and advance readers' overall understanding of the human form. Boasting more than 1,200 highly detailed drawings by Hungarian professor of arts András Szunyoghy, this book offers insights into our physique and how the human body moves.
