## **Piranha to Scurfy: And Other Stories** Ruth Rendell

Nine deliciously frightening and exquisitely crafted tales of psychological terror from Ruth Rendell.

A self-appointed critic reads books only to catch out their errors of fact and usage, which he points out to their authors in vicious letters: Then one day he comes upon a book that attacks *him*. An elderly woman finally avenges herself on the man who raped her sixty years before. An idyllic village in the English countryside offers newcomers its own peculiar kind of hospitality and exacts a terrible price on those who reject it. Delivering high-voltage shocks with the elegance of a Henry James, **Piranha to Scurfy** is further evidence of Ruth Rendell's mastery of any form she puts her hand to.

*From the Trade Paperback edition.*
