Remembering Satan

Lawrence Wright

Remembering Satan Lawrence Wright

In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father, Paul Ingram, who was a respected deputy sheriff in Olympia, Washington. At first the accusations were confined to molestations in their childhood, but they grew to include torture and rape as recently as the month before. At a time when reported incidents of "recovered memories" had become widespread, these accusations were not unusual. What captured national attention in this case is that, under questioning, Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff's department.

Remembering Satan is a lucid, measured, yet absolutely riveting inquest into a case that destroyed a family, engulfed a small town, and captivated an America obsessed by rumors of a satanic underground. As it follows the increasingly bizarre accusations and confessions, the claims and counterclaims of police, FBI investigators, and mental health professionals. Remembering Satan gives us what is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears.

From the Trade Paperback edition.

From reader reviews:

Paula Cofield:

The reason? Because this Remembering Satan is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your ability and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Robert Harriman:

This Remembering Satan is great e-book for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This kind of book reveal it info accurately using great organize word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with beautiful delivering sentences. Having Remembering Satan in your hand like having the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world inside ten or fifteen minute right but this book already do that. So , it is good reading book. Heya Mr. and Mrs. active do you still doubt in which?

Angeline Allison:

The book untitled Remembering Satan contain a lot of information on it. The writer explains the girl idea with easy way. The language is very clear and understandable all the people, so do definitely not worry, you can easy to read it. The book was written by famous author. The author brings you in the new period of time of literary works. You can easily read this book because you can read on your smart phone, or product, so you can read the book throughout anywhere and anytime.
