Y de repente, Teresa (Spanish Edition) Jesu Sanchez Adalid

La Inquisición contra Teresa de Jesús.

Un proceso oculto durante siglos que por fin sale a la luz.

Durante el reinado de Felipe II, la Inquisición se lanza con denuedo y auténtica obsesión a controlar la sociedad española. Nadie está libre de sospecha.

Don Rodrigo de Castro es un inquisidor implacable, ambicioso y cauto, que se ha consagrado concienzudamente a realizar pesquisas sobre aquellas mujeres que caen en éxtasis o tienen visiones y misteriosas revelaciones, por si fueran “alumbradas”, es decir, adeptas a la secta mística que tanto preocupa al Santo Oficio, que la considera herética y relacionada con el protestantismo.

Y para hacer las averiguaciones pertinentes, De Castro ha nombrado a dos comisarios, un fraile dominico y un caballero de la Orden de Alcántara, con atribuciones especiales y secretas.

En medio de todo eso, una mujer se afana por unir lo presente y lo eterno; separar la verdad de la apariencia y vivir una fe auténtica y una espiritualidad pura: Teresa de Jesús, la figura más grande y universal de la España del XVI, que no obstante su fina intuición, su magistral escritura y su virtud probada, fue acosada por los inquisidores, algo que se ocultó en los siglos subsiguientes y que hoy, por fin, es sacado a la luz
